Patents

Patents **1 - 10** on **calculation device calculated an index**. (0.28 seconds)

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Method and **device** for generating OVSF code words
US Pat. 6646579 - Filed Sep 23, 2002 - Infineon Technologies AG
The binary data length N of the **calculated calculation index** is likewise 2 and
... 15 as a **calculation index** data word 5 length N. The **calculation device** 17 ...

Knocking **index** value **calculation device** and **calculation** method thereof
US Pat. 6851411 - Filed Jan 14, 2004 - Nissan Motor Co., Ltd.
In a step S28, a gas combustion speed FLAME1 [m/sec] during initial combustion
is **calculated** from the laminar flow combustion speed SI and the turbulence ...

Electronic dictionary, its production method, and **index** compression and ...
US Pat. 5740457 - Filed Mar 1, 1996 - Matsushita Electric Ind.
(7) An **index** compression **device** for compressing an **index** for retrieving a desired
... the prediction pointer **calculated** by the function **calculation device**; ...

Method and apparatus for arbitrating access of plural bidding devices to a ...
US Pat. 5721735 - Filed Dec 8, 1995 - Multipoint Networks
That is, if the launch pad **calculated index** is higher than the goal ... Using this
value and transposing the variables of the **calculation** for bid **index**, ...

Optical scanning lens, optical scanning **device** and image forming apparatus
US Pat. 6400391 - Filed Jun 6, 2000 - Ricoh Company, Ltd.
45 The **calculation device** 17 includes a transmitted wave surface measuring unit
... a refractive-**index** distribution An(x) can be **calculated** for an arbitrary ...

Assisting power controller for an automotive power steering **device**
US Pat. 4773498 - Filed Dec 24, 1986 - Toyoda Koki Kabushiki Kaisha
K6=D/i 20 The first driving **index** (K0) thus **calculated** indicates a small ...
(ii) **Calculation** of Electric Current (10) meeting First Driving **Index** (K0) 30 ...

Method and apparatus for managing a number of time slots during which plural ...
US Pat. 5654968 - Filed Dec 8, 1995 - Multipoint Networks
That is, if the launch pad **calculated index** is higher than the goal **index** ...
a **calculation** of a bid **index** as described previously is modified such that ...

Optical scanning lens, optical scanning **device** and image forming apparatus
US Pat. 6744545 - Filed May 13, 2002 - Ricoh Company, Ltd.
The **calculation device** 17 includes a transmitted wave surface measuring unit 35
... a refractive-**index** distribution An(x) can be **calculated** for an arbitrary ...

Current position calculating **device**
US Pat. 5941934 - Filed Jun 7, 1996 - Xanavi Informatics Corporation

The accumulated error **index** es(n) represents how much the error **index** values
calculated 12 in the preceding and further preceding processings are reflected ...

Method of determining an acoustic refractive **index** distribution in an ...

US Pat. 4669311 - Filed Feb 18, 1986 - U.S. Philips Corporation
From this refractive **index** the differ- The diagram of FIG. 2 illustrates the
calculation of ential quotients g and h can be **calculated** as ...

Patents

Patents **1 - 10** on **security level software integrated**. (0.05 seconds)

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Billing system for computing **software**
US Pat. 5155680 - Filed Apr 27, 1989 - Signal Security Technologies
EEPROM 176 can be themselves enciphered by a rou- 45 Normally, the **level** of
security provided would vary tine which can only be deciphered by the ...

Terminal and system for performing secure electronic transactions
US Pat. 6694436 - Filed May 19, 1999 - Activcard
The logic interface F-API for exchanging high-**level security** requests between
the application and the translation **software** of the filter F can be ...

Physical layer **security** manager for memory-mapped serial communications ...
US Pat. 6134662 - Filed Jun 26, 1998 - VLSI Technology, Inc.
4, link layer also implements a **security** manager 122 to provide controlled access
to the higher-**level software** layers in node in a manner consistent with ...

Multi-**level security** network system
US Pat. 6304973 - Filed Aug 6, 1998 - Cryptek Secure Communications, LLC
Software-based host **level** vpns provide a driver that sits between the ethernet
... board that is directly **integrated** into the hardware of the host system. ...

Managing information in an **integrated** development architecture framework
US Pat. 6662357 - Filed Aug 31, 1999 - Accenture LLP
What **Level** of the Component is Required? The function must be able to ...
One User-ID for access to all **software** (central point for all **security** checking). ...

Tightly **integrated** cooperative telecommunications firewall and scanner with ...
US Pat. 6226372 - Filed Dec 8, 1999 - Securelogix Corporation
35 In another aspect, the scanner will be used to proactively verify the **software**
or operating system controlling a modem. There is a **level** of **security** ...

Method and apparatus for setting automotive performance tuned preferences ...
US Pat. 6198996 - Filed Jan 28, 1999 - International Business Machines Corporation
Host/PCI Cache/Bridge 108 also may include an **integrated** memory controller and
... Alternatively, each **security level** could be a separate **level** of hardware. ...

System for securing a data processing system and method of operation
US Pat. 5432950 - Filed Jun 1, 1993 - Motorola Inc.
5, a **software** interpreter 200 is illustrated as 10 being stored within memory.
... In a data processing system, an **integrated** circuit having a **security** ...

Method and apparatus for enhancing **software security** and distributing ...
US Pat. 5724425 - Filed Jun 10, 1994 - Sun Microsystems, Inc.
Ron Rivest and at a single clearance **level**, because there was no way for a ...
party about the location, affiliation, and clearance of **integrated** circuits. ...

Security system for a computerized apparatus

US Pat. 6275933 - Filed Apr 30, 1999 - 3Com Corporation
1 provides key-**level security** through secure key 300, secu- 55 rity interface
... apparatus 100 is the lowest-**level software** in the computer aspect thereof. ...

Patents

Patents **1 - 10** on **new software with security level**. (0.10 seconds)

Apparatus and method for organizing timeline data
Sort by relevance | Sort by date (new first) | Sort by date (old first)

US Pat. 5649182 - Filed Mar 17, 1995
Another dissimilarity exists in editing LIST pa(i **software** program. ... the exception
that in entering a **new security level** into the **software** program. ...

Method and apparatus for enhancing software security and distributing ...
US Pat. 5724425 - Filed Jun 10, 1994 - Sun Microsystems, Inc.
Ron Rivest and at a single clearance **level**, because there was no way for a ...
As it happened, the chip was permit the **new** systems to be made much more ...

Mixed enclave operation in a computer network with multi-level network ...
US Pat. 5828832 - Filed Jul 30, 1996 - ITT Industries, Inc.
Then the TCB signals port B's untrusted **software** to create a proxy RARP Response
... The SNIU inserts the originating host's **security level**, appends its ...

Software object security mechanism
US Pat. 6173404 - Filed Feb 24, 1998 - Microsoft Corporation
5, therefore, the target access authorizations All and Owner could provide a
level of **security** without the Exemplar authorization. ...

Service level computer security
US Pat. 6795918 - Filed Mar 7, 2000
Another issue is that when installing **new software** or upgrading old **software**,
... Also, like other **software** solutions, **software**-only **security** is inherently ...

Software usage authorization system with key for decrypting/re-encrypting/re ...
US Pat. 4864494 - Filed Mar 21, 1986 - Computerized Data Ssytems for Mfg., Inc.
A code for activating this key to in turn decrypt the information in **Level II**
travels with the **Level** I portion of the **security** ...

Support of limited write downs through trustworthy predictions in multilevel ...
US Pat. 5692124 - Filed Aug 30, 1996 - ITT Industries, Inc.
The **security** tocol stack **software** automatically converts the ICMP Echo policy is
... the host's **security level**, and sealer keys Fortezza API 56 uses the ...

Commercial online software distribution systems and methods using encryption ...
US Pat. 6014651 - Filed Sep 23, 1998
15 is a flowchart of exemplary program control steps of the "**security** check" block
... **New software** can be loaded onto customer computer 50 by storing the ...

System and method for providing multi-level security in computer devices ...
US Pat. 5832228 - Filed Jul 30, 1996 - ITT Industries, Inc.
In either case, the untrusted **software** 25 passes the ARP Request Trusted Computing

.... The SNIU inserts the originating host's **security level**, appends its ...

Stand alone **security** device for computer networks
US Pat. 6067620 - Filed May 28, 1998
However, the destination host does not contain any **software** which can process the
... If the **security level** of the destination is greater or equal to the ...
